## Paediatric Continence Services: Questionnaire for Parents

This is a combined initiative between the national lobby group, the Paediatric Continence Forum (PCF) and the national charity ERIC (Education and Resources for Improving Childhood Continence).

It has come to the attention of the PCF that Paediatric Continence Services nationally are being cut as a result of current NHS spending reviews and reforms. The PCF needs evidence to bring this issue to the attention of Members of the House of Commons and Lords and Officials within the Department of Health. We would therefore be grateful if you would complete the questionnaire below. Do leave out your details if you would prefer to remain anonymous. Continue on a separate sheet if necessary and feel free to add any further information that you think might be relevant.

Location/area of the continence service you have used

Please describe something about the service you received before the reductions were implemented:

What reductions are being/have been made to the service you receive?

# The Paediatric Continence Forum

◆ The Paediatric Continence Forum ◆ 11 Hampton Park ◆ Redland ◆ Bristol ◆ BS6 6LG ◆  
◆ Tel: 0207 368 3100 ◆ Fax: 0207 368 3101

From what date will/did these changes/cuts apply? ( if known)

What was the reason you were given for the reductions or changes in service?

What do you think will be the effect of these cuts on your child and your family?

Would you be willing to be contacted to discuss this further? If so, please provide your contact details and postcode:

Thank you for helping the PCF with its work to improve Paediatric Continence Services nationally.
